The fifth public address will be chaired by the Honourable Dame Quentin Bryce AD CVO, former Governor-General of Australia and Chair of the Queensland Domestic and Family Violence Taskforce. The keynote address will be delivered by Tania Major, a Kokobera woman from Kowanyama in Far North Queensland and Young Australian of the Year 2007. Tania is the Founder and Chair of the Major Impact Foundation, aiming to help remote Indigenous Australians to gain the skills and knowledge through a quality education so they can break free of welfare dependency. Tania will speak about the challenges for families and children in remote communities; the desirability of community-led solutions; and the role of government in addressing poverty and disadvantage.
